Please indicate which specific **buildings, sites, structures, and/or objects** are requested to receive historic designation:

APPLICATION

Pursuant to LDC Section 135-4(a), the HPC may recommend the designation as historic property those buildings, sites, structures, or objects that possess integrity of location, design, setting, materials, workmanship, feeling, and/or association in one or more of the following categories. Please check all that apply.

Please provide a written explanation as to how the property meets the historic designation criteria selected. Please clearly indicate if the requested historic designation is for an entire property or a specific building, structure, or object.

- _____ (1) Property that is significant in the history of the county, the state, or the United States, or is associated with events that are significant in the history of the county, the state, or the United States;
- _____ (2) Property that is associated with lives of individuals significant in the past;
- _____ (3) Property that embodies the distinctive characteristics of a type, period, or method of construction, or that represents the work of a master, or that possesses high artistic values, or that represents a significant and distinguishable entity whose components may lack individual distinction; or
- _____ (4) Property that has yielded or may be likely to yield information important in prehistory or history.

Pursuant to LDC Section 135-4(b), ordinarily cemeteries, birthplaces, or graves of historical figures, properties owned by religious institutions or used for religious purposes, structures that have been moved from their original locations, reconstructed historical buildings, properties primarily commemorative in nature, and properties that have achieved significance within the past 50 years, may not be recommended for designation as historic properties by the HPC. However, such properties may be designated if they fall within the following categories. Please check all that apply.

Please provide a written explanation as to how the property meets the historic designation criteria selected. Please clearly indicate if the requested historic designation is for an entire property or a specific building, structure, or object.

- _____ (1) A religious property deriving primary significance from architectural or artistic distinction, or historical importance;
- _____ (2) A building or structure removed from its original location but which is significant primarily for architectural value, or which is the surviving structure most importantly associated with a historic person or event;
- _____ (3) A birthplace or grave of a historical figure of outstanding importance if there is no appropriate site or building directly associated with his productive life;
- _____ (4) A cemetery that derives its primary significance from the graves of individuals of transcendent importance, from age, from distinctive design features, or from association with historic events;
- _____ (5) A reconstructed building, when done in accordance with this article;
- _____ (6) A property primarily commemorative in intent if design, age, tradition, or symbolic value has invested it with its own exceptional significance; or
- _____ (7) A property achieving significance in the past 50 years, if it is of exceptional importance.
